THE UNIVERSAL CAR

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,517—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for FORD cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing FORD cars. If, therefore, you are planning to purchase a FORD car, we advise you to place your order and take delivery now.

IMMEDIATE ORDERS WILL HAVE PROMPT ATTENTION.

Delay in buying at this time may cause you to wait several months. Enter your order to-day for immediate delivery with our authorized FORD agent listed below and don't be disappointed later on.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

LOOK AT TONGUE! IF COATED, CLEAN LITTLE STOMACH, LIVER, BOWELS.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath hot, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but not the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

COSTS STATE \$23 FOR EACH CHILD

Gilbert Shows Kentucky Spends \$9.76 Per Capita for Education.

Frankfort, Ky., March 14.—State Superintendent of Public Instruction V. O. Gilbert, has prepared figures showing the cost of education in Kentucky as compared with other States. The school population of Kentucky is 690,889 and the per capita expenditure is \$9.76. The cost of carrying a pupil through the first eight grades is \$183.20, based on the attendance. Of this cost \$3,924,554 comes out of the State funds, the State per capita being \$4.37.

Of the Southern States only Texas, Oklahoma and Louisiana take precedence over Kentucky in the amount spent each year on the education of each child; but in the north, west and east the amount varies from \$27 in New Mexico to \$77.14 in Nevada.

THREE AMERICAN VESSELS SUNK

German U-Boats Attack Ships Without Warning.

PATROLS SEEK SURVIVORS

City of Memphis, Illinois and Vigilancia Victims of Teuton Ruthless Submarine Warfare While on Homeward Trip, U. S. Consuls Report.

London, March 19.—Three American ships were sunk by German U-boats, it was announced here. They are the City of Memphis, Illinois and the Vigilancia. Fourteen men from the Vigilancia are missing, as are some of the men from the city of Memphis. The crew of the Illinois was landed safely.

The City of Memphis in ballast from Cardiff for New York was sunk by fire. The second officer and fifteen men of the crew have been landed. A patrol boat has gone in search of the other members of the crew. The Illinois was bound from London for Port Arthur, Tex., in ballast.

The Vigilancia was torpedoed without warning. The submarine did not appear. The captain, first and second mates, first, second and third engineers and twenty-three men of the crew have been landed at the Scilly Islands. The fourth engineer and thirteen men are missing.

Washington, March 19.—Consul Frost at Queenstown reported to the state department the sinking by a German submarine of the American steamer City of Memphis, saying forty-nine survivors had been picked up and that an admiralty vessel was searching for eight missing.

The consul's dispatch follows: "American steamer City of Memphis, Cardiff to New York, reported sunk by German submarine, thirty-five miles south of Fastnet. Fifteen survivors landed at Schull. Thirty-four survivors on admiralty vessel, which continues search for eight missing. Will land Baltimore (on Irish coast)."

The department announced that a dispatch from Consul General Skinner at London, said it was reported the City of Memphis, the Illinois and the Vigilancia (probably Vigilancia) all American steamers, had been sunk, the latter without warning. The message added that some of the crew of the City of Memphis had been landed; that a patrol boat had gone to pick up the crew of the Illinois.

FEASTS "YARROWDALERS"

Mrs. Harold McCormick Entertains Released Sailor Prisoners.

Zurich, Switzerland (via Paris), March 19.—Fifty-nine American sailors and home tenders, the now famous Yarrowdalers, each clad in a brand new outfit, aroused the ultra-fashionable Hotel Baur au Lac from its well-bred lethargy when they filed into its imposing lobby. They had been invited to "tea" by Mrs. Harold McCormick, who had provided music and a repast that approximated a man-sized meal. The guests were still suffering from the semi-starvation of the German prison camp.

The sailors, the majority of whom call the Bowery home, were inclined to be embarrassed at the outset, but Mrs. McCormick, aided by United States Consul General Keene, soon put them at their ease. Mrs. McCormick also presented each one with 50 francs for pocket money.

YACHTS OFFERED U. S. NAVY

May Be Used For Coast Defense Auxiliaries.

New York, March 19.—Some of the finest American yachts have been offered to the government for auxiliaries to aid in the defense of the coast in the naval district extending from New London, Conn., to Barnegat, N. J., it was announced here.

Among 375 craft thus far volunteered toward the 500 that the navy department considers a minimum necessary for the district, are J. P. Morgan's Corsair, Mrs. E. H. Harriman's Sultana, John Borden's Kanawha, Mrs. John S. Kennedy's Cherokee, George S. Baker Jr.'s Viking and Vincent Astor's Noma.

Fire Damages Prison.

New York, March 19.—Fire has destroyed the south wing of the women's workhouse on Blackwell's island, the city penitentiary. When the alarm was sounded the prisoners were mustered by the matrons and marched out safely. No one was hurt. Fire boats prevented the flames, which started in the chapel, from spreading to other buildings.

Babe Eats Strychnine; Dies.

Greensburg, Ind., March 19.—After eating tablets containing strychnine, two-year-old Margaret Amrhein, daughter of Lawrence A. Amrhein, near Adams, was seized with convulsions and died within a few hours. The mother left the house a few minutes. The baby toddled upstairs and found the medicine.

DON'T DRUG KIDNEYS RUB BACKACHE AWAY

INSTANT RELIEF! RUB PAIN, SORENESS AND STIFFNESS FROM YOUR BACK WITH "ST. JACOBS OIL."

Kidneys cause backache? No! They have no nerves, therefore can not cause pain. Listen! Your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacobs Oil." Rub it right on the ache or tender spot, and instantly the pain, soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacobs Oil" from your druggist and lumber up. A moment after it is applied you'll wonder what became of the backache, sciatica or lumbago pain. "St. Jacobs Oil" stops any pain at once. It is harmless and doesn't burn or discolor the skin.

It's the only application to rub on a weak, lame or painful back, or for lumbago, sciatica, neuralgia, rheumatism, sprains or a strain.

FOR THIS THEY ARE LAWYERS

If a man were to give another an orange he would simply say, "I give you this orange," but when the transaction is entrusted to the hands of a lawyer to put in writing he adopts this form: "I hereby give and convey to you, all and singular, my estate and interests, rights, title, claim and advantages of and in said orange together with all its rind, juice, pulp and pits, and all rights advantages therein with full power to bite, cut, suck and otherwise eat the same, or give the same away with or without the rind, skin, juice, pulp or pits, anything herein before or hereinafter or in any other deed or deeds, instrument or instruments of whatever nature or kind soever to the contrary in any wise notwithstanding."—Lutkin (Ala.) DELCO-LIGHT

ELECTRICITY FOR EVERY FARM

DELCO-LIGHT MAKES ELECTRICITY UNIVERSAL

For the first time electric light and power are available to anyone—anywhere. Heretofore, the benefits of electricity have been confined to those who live in the larger towns and cities. Now Delco-Light makes electric current universally available.

Delco-Light is today furnishing thousands of farm-houses with brilliant, convenient, safe and economical light. It is furnishing power to operate pumps, washing machines, churns, cream separators, milking machines, vacuum cleaners, etc. It is lighting country churches, stores and public halls. It is furnishing light and power to summer homes and camps, to houseboats and yachts, etc.

Delco-Light is a complete electric plant—the engine and dynamo in one compact unit combined with a set of specially built and wonderfully efficient batteries for the storing of current. The plant is so simple a child can care for it, and so economical that it actually pays for itself in time and labor saved. It operates on either kerosene, gasoline or natural gas.

Price with standard size batteries \$275.00
Price with large size batteries \$325.00

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

INSTANT RELIEF! "PAPE'S DIASEPSIN" ENDS YOUR STOMACH DISTRESS. TRY IT!

Wonder what upset your stomach— which portion of the food did the damage— do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diasepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have dyspepsia. A little Diasepsin occasionally keeps the stomach sweetened and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diasepsin, which costs only fifty cents for a large case at drug store. It's truly wonderful—it stops fermentation and acidity and sets things straight, so gently and easily that it is really astonishing.
